

Q4B is pleased to announce an added service to our users. We have arranged for Monarch Estate Planning (a Certified Legal Document Preparer Company) to handle custom schedules for Q4B documents, trust amendments, deeds and other funding matters.

Monarch is also available to do complete custom estate plans when Q4B is not suitable to a particular case. Fees are quoted on a case-by-case basis.

Monarch is independent from Q4B Center; no fees are exchanged between Q4B Center and Monarch.
